Purposes of the National Business Honor Society

The purposes of the National Business Honor Society are to:

- promote and recognize academic achievement in business education at the secondary level;
- foster and recognize leadership skills and character development;
- help members grow ethically and socially by promoting and encouraging an interest in business; and
- encourage member involvement in service learning initiatives.

Chapter Eligibility

Public or independent secondary schools offering business curriculum reflective of the *National Standards for Business Education* shall be eligible to apply for a charter. The school must be located in the United States of America, its territories, or Canada. All business education teachers in the secondary school where the chapter is located must maintain current and continuous professional membership in NBEA. Failure to do so will result in charter revocation.

Chapter Requirements

- Each chapter must write bylaws to amplify sections of the National Business Honor Society national bylaws and to clarify operating procedures of the local chapter.
- Each chapter must pay a chartering fee determined by the national governing council. If the charter application is not approved, the chartering fee will be returned. Currently, the one-time chartering fee is \$100.00; this fee is subject to change without notice. Purchase orders are **NOT** accepted as form of payment for the chartering fee.
- Each chapter must have a local chapter board comprised of five adult professionals such as: business teachers, school counselor, principal/assistant principal, administrator, other academic teachers, or advisory board members. Students are not allowed to serve on this local chapter board.
- Each school with a chapter must pay an annual renewal fee determined by the national governing council. Currently, the annual renewal fee is \$50.00; this fee is subject to change without notice. Purchase orders are **NOT** accepted as form of payment for the annual renewal fee.
- Each chapter must submit a complete list of all current members immediately following each induction ceremony.
- Each chapter must submit an annual update providing all information requested by a deadline date established by the national governing council.
- All business teachers in the school where the chapter is located must be current NBEA professional members **at all times**. Business teachers also include business department heads, technology teachers, or any individual (regardless of job title) teaching courses that reflect the *National Standards for Business Education* published by NBEA. The lead chapter adviser will

be responsible for making sure all business teachers remain continuous dues-paid members of NBEA.

Student Membership Qualifications

To qualify for membership, a student must be a high school junior or senior. The student must have completed or be currently enrolled in his/her third business course. The student must have a minimum standard GPA, on a 4.0 scale, as follows: business courses average-3.5; overall average-3.0. Local chapters may require a higher GPA for membership, but the GPA requirements may not be lowered.

Chapter Approval Process

New charter applications must be received by October 1 or February 1. **Please allow up to two months from these deadline dates for completion of review of your charter application.**

If there are any discrepancies with the charter application, you will be notified. All discrepancies must be resolved within 30 days of first contact from the governing council or the application will not be approved.

Approved chapters will receive an official welcome letter, charter, and other materials.

Incomplete applications will not be processed and will delay the approval process.

Make sure each item listed below is complete with your application or your application will not be approved.

- Charter Application (typewritten)
- Chapter Bylaws (typewritten)
- List of Business Courses with Descriptions
- Charter Fee (Payment)
- All business teachers in the school must be current NBEA members. New NBEA membership applications and payments must be included with this application of paid online at www.nbea.org.

Chapter Revocation

The chapter will be considered inactive and the charter of a chapter may be revoked by the national governing council for failure to do one or more of the following:

1. maintain an active status;
2. comply with the object of the National Business Honor Society;
3. bring its bylaws into compliance with National Business Honor Society Bylaws;
4. provide a copy of the current bylaws to NBEA Headquarters; or
5. maintain current NBEA dues-paid status of all business teachers **at all times.**

If a chapter does not respond to any written inquiry from the national governing council regarding chapter status, a chapter will be considered inactive for failure to do the following:

1. submit annual renewal fee each year by October 1;
2. maintain current professional NBEA membership status for all business teachers;
3. submit an annual update for two consecutive years; or
4. submit a report of new members for two consecutive years.

If a chapter becomes inactive and their charter is revoked, the school must immediately remove reference to the National Business Honor Society from their school website and any other media outlets.

Charter Application Frequent Mistakes

Please make sure you avoid these frequent mistakes when processing your application:

1. Make sure you complete the sample chapter bylaws. The sample bylaws are clearly labeled as such inside this document, and are available on the NBHS website in Word format. The bylaws must be typewritten and an electronic copy must be maintained at the local chapter level.
2. If your chapter is not going to charge local chapter dues, make sure you indicate \$0.00 as the dues amount in your chapter bylaws. If you decide to charge local chapter dues, the dues amount cannot exceed \$20.00.
3. The local chapter board must be comprised of five adult members. This board is NOT your local student officers. The local chapter board handles approval of new members and disciplinary matters. These individuals can be business teachers, advisory board members, parents, business professionals, school administrators, etc. Do not list the exact names of these individuals in the bylaws; you may refer to them by titles of the positions they hold.
4. Membership cannot be restricted to students in career/technical student organizations.
5. Although your officer elections can be held at a set time each year, be advised that you may have to appoint your first set of local chapter officers in order to get your chapter off to a quick start.
